## A note from Mrs. Schmeltzer

What a great start to the school year! Students have been doing a fantastic job following Edison expectations all while having fun! We are so happy to have your children at Edison and are looking forward to a great year of learning and growing.

Starting on Monday, teachers will not be coming outside to pick students up in the morning. Support staff will be outside to help anyone who needs it. Otherwise, students are free to enter the building when the bell rings.
