September 25
No School All Day
Professional Development

A note from Mrs. Schmeltzer

SeeSaw: As a response to our Parent Engagement Survey, we will be using SeeSaw to share more frequent information regarding your student at school. Please make sure you have joined your child's class page. Each student received an invitation from their teacher. This is a platform being used school wide at Edison. Teachers will use this to send you class updates, reminders and newsletters. The coolest part (I think) is that your child's teacher can send you pictures of your child at school! If you are having difficulty getting connecting, please reach out to your child's teacher.

ALICE Evacuation Drill: ACT 143 requires each school building regularly occupied by pupils be drilled at least annually in the proper response to a school violence event in accordance with the school safety plan in effect for that school building. We will be practicing this evacuation tomorrow, Friday, September 22 at 10:00 am. I will come on the announcements and share with staff and students that this is a drill. I will then share the following scenario: There is an active situation near the intermediate playground doors. Please find a safe exit to evacuate the building. Head to our rally point. Make sure you stop, look and listen to your teacher.

We will walk to our "rally point" which is City Park, take attendance and walk back to school. If you have any questions or concerns regarding this drill, please contact the office.

Parent/Teacher Meetings: If you would like to have a conversation with your child's teacher, please reach out to set up a time in advance. It is very difficult for staff to have adult conversations at the start of the day when students are coming to school as well as at the end of the day when they are trying to get everyone home safely. We greatly appreciate it!

Fall Conference Sign up

Make sure to use [this link](#) to share your fall conference preference.

Nurse Update

Please [click here](#) for a letter regarding our illness guidelines.

PTO

Edison PTO Info

WANT TO GET INVOLVED? We'd love to have more people involved in the PTO! We're especially looking for people who will be interested in taking on crucial roles (Coordinator and Treasurer) within the next two years. You can email edisonchargerspto@gmail.com, or text Laney French at 504-473-0481 to get connected. Most of our communication and coordination is via email, though we meet in person about twice a year. Some people do a little, some do a lot, and everyone is welcome to be involved however they'd like.

Chartwells Food Service Updates

ALL Edison students receive free breakfast and lunch.

Milk is included with ALL meals (breakfast or hot lunch). If your student would like to purchase milk for their cold lunch or an additional milk, the cost is \$.40.
