A note from Mrs. Schmeltzer

As we head into a long break from school. I want to share how thankful I am to work at Edison. Here is a list of Edison things I am thankful for everyday:

- Being bombarded with hugs as students see me in the halls, at recess and in their classrooms.
- Seeing the beautiful evidence of learning hanging throughout the hallway.
- Being able to say the Pledge of Allegiance each morning with a circle of students around me.
- Working for a school community the values diversity, equity and inclusion.
- Learning along with students, teachers and families everyday. The goal is to be better than yesterday, not better than anyone else.

From the bottom of my heart, thank you for allowing me to lead and support you and your student!

WANT TO GET INVOLVED? We'd love to have more people involved in the PTO! We're especially looking for people who will be interested in taking on crucial roles (Coordinator and Treasurer) within the next two years. You can email edisonchargerspto@gmail.com, or text Laney French at 504-473-0481 to get connected. Most of our communication and coordination is via email, though we meet in person about twice a year. Some people do a little, some do a lot, and everyone is welcome to be involved however they'd like.
