A note from Mrs. Schmeltzer

Hello Edison Families,

It was nice to see everyone at conferences last week. I hope you were able to get a clearer picture of your child's school successes and areas of focus. Please know that conferences is not the only time we want to see and hear from you. Please reach out with and questions, concerns or celebrations and we strive to do the same.

We had so much fun during Valentine's Day/Friendship Day yesterday! I just want to remind you that your children are so loved and cared for at Edison.

Love, Mrs. Schmeltzer

PTO Penny War!

Thank you to those who have sent coins and cash with your students. Please send the money in a bag with your student's name on it. Classes have decorated their jugs and they are displayed in the lunchroom each day. Please know that any money collected during this penny war goes directly to teacher's needs for their classrooms. If you are not comfortable sending a large amount of change with your student, bring it to the office!

No change? You can electronically donate using the PTO [PayPal link](#)

Please add the teacher's name in the comment section so we can credit the correct classroom.

Edison PTO Info

WANT TO GET INVOLVED? We'd love to have more people involved in the PTO! We're especially looking for people who will be interested in taking on crucial roles (Coordinator and Treasurer) within the next two years. You can email edisonchargerspto@gmail.com, or text Laney French at 504-473-0481 to get connected. Most of our communication and coordination is via email, though we meet in person about twice a year. Some people do a little, some do a lot, and everyone is welcome to be involved however they'd like.
