A note from Mrs. Schmeltzer

Happy first day of Spring! This is a busy time of year with lots of learning and testing. Please [click here](#) for a WI Forward parent letter explaining the exams your child will be taking.

Thank you to those of you who joined us today for our Family Engagement event! We will be holding one more event on Tuesday, May 21. During this event, you will see your child's growth from winter to spring and see your child demonstrate their learning! Lastly, you will be able to fill up a bag of books for summer reading! Below is a link to the math progression videos that were shared during the presentations. There are also 3 - Act Tasks you can do with your child at home to incorporate more math talk. If you attended our event we would love your feedback to help us prepare for our next Family Engagement Event! Use this link to share your thoughts. [Parent Engagement Event Feedback](#)

I hope everyone has an enjoyable break doing what you love most with those you love most!

Sincerely,
Katie Schmeltzer

Edison PTO Info

WANT TO GET INVOLVED? We'd love to have more people involved in the PTO! We're especially looking for people who will be interested in taking on crucial roles (Coordinator and Treasurer) within the next two years. You can email edisonchargerspto@gmail.com, or text Laney French at 504-473-0481 to get connected. Most of our communication and coordination is via email, though we meet in person about twice a year. Some people do a little, some do a lot, and everyone is welcome to be involved however they'd like.
